

NEPHEW TO CONTEST WILL  
OF ECCENTRIC MINER.

Estate of Man Who Died From Malnutrition Valued at \$100,000.  
John M. Vidovich, of Fresno, Cal., nephew of Peter Vidovich, the Alaskan miner who died Sept. 7 last in Bellevue Hospital from malnutrition while on his way to Austria, has started proceedings in San Francisco to contest the probate of the will, which leaves most of the estate of more than \$100,000 to a grandnephew in Austria, cutting off the nephew with \$100.

To-day, Thomas F. Smith, Public Administrator, sent to the Mercantile Trust Company of San Francisco, temporary administrator, a report of the property left by the eccentric prospector.

The miner had with him in the hospital, when he died, \$54,000 in Liberty bonds, \$1,599 in cash and receipts for \$26,500 in banks and trust companies in San Francisco. There were also deeds for property in Alaska, and some valuable jewelry.

**Suicide Laid to Religious Mania.**

After the accident they jumped out of the machine and ran into a subway station before the police could learn who they were. ## MISS FRENCH BRIDE TO-DAY.

NEWPORT, R. I., Aug. 17.—Miss Julia Estelle French, daughter of Mrs. Leroy French and former wife of "Jack" Geraghty, will be married this afternoon to Howard T. Williams of Johnston at the residence of her mother. It is known considerable difficulty was experienced in securing a minister to perform the ceremony, owing to the intended bride's previous divorce.

Miss French has been doing considerable shopping in Newport, preparing for her second marriage.

HIS AUTO STOLEN ON TRIAL  
TRIP: CASH ALSO GONE.

**Deboraka Accuses Two He Invited to Ride—Car Recovered.**  
William Deboraka, No. 434 East 70th Street, doesn't believe that such a thing as gratitude exists. He was trying out a new automobile and gave William Bear, No. 345 East 107th Street, and Daniel McDermott, No. 351 East 115th Street, a ride to Rockaway. On the way home, when a stop was made at a place in Third Avenue, he says, they robbed him of \$300 and the car. The car was found three days later abandoned in Central Park.

Deboraka went to the two, he said, and declared he was willing to call it all square about the automobile if the \$300 were returned to him. The offer was refused. Early this morning he saw Bear and McDermott in a restaurant at 79th Street and Second Avenue and called a policeman. The pair were arraigned in Yorkville Court on a charge of grand larceny.

MISS SHUT DOWN FOR FIRST TIME  
SINCE 1907.

The Kimble Glass Company of Vine-land, N. J., will shut down its chemical glass department on Aug. 20, following a conference with the union on the subject of wages. The concern said it could still afford to operate and pay higher wages than the pre-war scale, but not the present schedule. This is the first time there has been a shut down in the factory, which was started in 1907.
